INDICATIONS OF SOVIET INTENTIONS TO
INITIATE GENERAL WAR

1. The attached memorandum from the Assistant Chief of Staff, G-2, requests that the IAC prepare as a special estimate a list of the indications of the highest significance which point to possible Soviet intention to initiate general war.
2. This request is placed before the members of the IAC for their consideration at the meeting of 30 August 1951.

James Q. Reber
Secretary
Intelligence Advisory Committee
